# EVANS REAL ESTATE INVESTMENTS CELEBRATES GRAND OPENING

Evans Real Estate Investments, a full-service international residential and commercial real estate brokerage firm specializing in assisting foreign investors, celebrated the grand opening of its new Lincoln Square office. The firm hosted more than 200 guests, who explored the facilities and enjoyed food and wine; a permanent art display featuring Yeva Dashevsky's close-up photographs of Manhattan architecture; a ribbon-cutting ceremony; and entertainment by DJ MAC—an antique phonograph DJ who plays vintage records from the early 20<sup>th</sup> century. There was also a children's room with Halloween-themed arts and crafts.

Karina Sagiev's, Managing Partner of Evans Real Estate Investments vision is to cultivate a firm that targets all the major inter-

national markets and assists buyers and investors from all over the world with all sides of real estate transactions.

Evans performed extensive construction on the ground-floor office, located at 243 West 60<sup>th</sup> street, transforming it from a standard storefront into a classically modern loft with multiple meeting spaces that can be converted to host a number of different events for adults and children alike, including onsite art exhibits, children's programming and educational real estate seminars. The new office will allow the growing firm to service its international clientele while providing an elegant and comfortable environment for local residents to meet and discuss their real estate needs.
